

Name: _____

GRADE 2: Unit 2 STUDY GUIDE

Using the fact triangle below, which number sentences below are true? 2.OA.2

- | | | | |
|----|-------------|-----|----|
| 1) | $3 + 6 = 9$ | Yes | No |
| 2) | $9 - 6 = 3$ | Yes | No |
| 3) | $6 - 9 = 3$ | Yes | No |

Write all of the number sentences for the fact family of 7, 9, 16

- 4) $\underline{\hspace{1cm}} + \underline{\hspace{1cm}} = \underline{\hspace{1cm}}$ $\underline{\hspace{1cm}} - \underline{\hspace{1cm}} = \underline{\hspace{1cm}}$
 $\underline{\hspace{1cm}} + \underline{\hspace{1cm}} = \underline{\hspace{1cm}}$ $\underline{\hspace{1cm}} - \underline{\hspace{1cm}} = \underline{\hspace{1cm}}$

- 5) Show how you can “make a ten” to find the sum of $8 + 7 = \underline{\hspace{2cm}}$.

2.OA.2

--

- 6) Ann had 13 beads in her jewelry kit. She got 14 more beads for her birthday.
How many beads does she have altogether? 2.OA.1

Show your work using numbers, pictures, or words.

Ann has _____ beads.

- 7) Tim read 15 minutes yesterday and 13 minutes today.
How many minutes did he read altogether? 2.OA.1

Show your work using numbers, pictures, or words.

Tim read _____ minutes.

- 8) Make up a story for the number model $7 + 12 = 19$. 2.OA.1

Circle the word Odd or Even for each number below. 2.OA.3

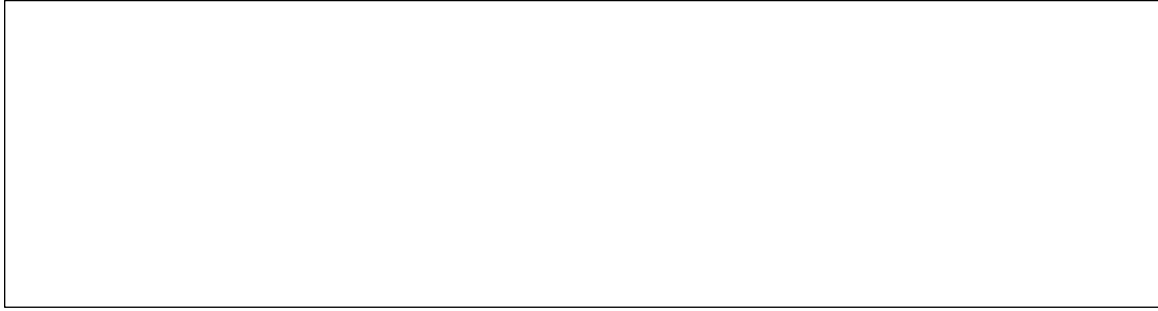

9) 37 Odd Even

10) 16 Odd Even

11) 9 Odd Even

12) Draw a picture to prove that 4 is an even number.

2.OA.3

13) Explain how you know if a number is even.

2.OA.3

Write the missing number to make each equation true.

2.NBT.9

14) $6 + 7 + 4 = \underline{\quad\quad} + 6$

15) $2 + 4 + 5 = \underline{\quad\quad} + 2$

16) Find the sum for $7 + 14$. Show your work.

2.NBT.9

17) How does knowing $3 + 4$ help you solve $4 + 3$?

2.NBT.9
