

Name _____ Date _____ Period _____

Shot Choices

Watch the Cinefix video.

Describe the size of each shot by how much of a person appears in the frame. I already did the first one for you

Explain the reasons why a filmmaker might choose each of these shot sizes. What might they be trying to express? To create? To highlight? Feel free to be creative. Give your reasons in complete sentences.

Shot	Size	Reasons
Close-up	All of their face, no more than their neck below.	
Full shot		
Medium shot		
Extreme close-up		
Extreme long shot
