Do you need utility assistance? DTE and Wayne Metro may be able to help with affordable monthly payment programs based on your income. You must qualify to receive bill payment assistance. Additional agencies in attendance will be offering assistance with health, energy efficiency, and more.

Make sure you bring the following documents with you to apply:

- Valid Michigan State issued Picture ID for everyone 18 and older in household with current address matching service location.
- Certified proof of Social Security numbers (cards, certified tax returns, DHS statements, etc.) for everyone in the household.
- All household income received for the last 60 days (MUST include intake date) including check stubs, proof of paid child support received, DHHS cash assistance award letter, pension, SSD/SSI award letters.
- Copy of your DTE Energy utility bill.
- Receipt of \$75 paid to DTE Energy within 30 days of appointment date.
