

Student Score Reports

Students will begin to be able to access their scores on **May 18, 2016** via their College Board student account for SAT, PSAT 10, and PSAT 8/9. Setting up a student account involves a few steps:

- Go to collegeboard.org
- Click on “Sign Up” in the upper left-hand corner
- Select “I am a Student”
- Provide contact information
- Create a user name and password
- Read and agree to the Terms & Conditions

Most student scores will be available on the first score release day, however a small percentage might not be. Scores may be released later for reasons that include participation in makeup testing, a late receipt of answer sheets, missing information on the answer sheet, or other uncommon conditions that flag a test for more attention. If a score is not available, students should check back for updates or they may call

- 866-756-7346 for a status of their **SAT score**, or
- 866-433-7728 for a status of their **PSAT score**.
