Homework #1 – Reflection Questionnaire

1. In thinking about the first semester of Alg 2B, explain why you are happy/unhappy with how the first semester went and with the end result?

2. What did you learn about yourself during the first semester of Alg 2B?

3. a. If positive, how can you build on this?

b. If negative, what can you do differently so that the outcome makes you happy?

4. What can I do to help you? Give me some ideas on what works best for you in the classroom.

5. What does success look like to you at the END of SECOND semester?
