

Household safety scan form

Teacher ID:

Teacher name:

Student first name, last initial (for teacher use only):

Please use a pencil, or blue or black ink (no markers please), and mark your answers with an X.

You may complete this survey online at **hssf.nef1.org**. If you complete it online, please enter the confirmation code here and show it to your teacher.

1. Does everyone in your family know what to do if they see a downed power line?
☐ Yes ☐ No
2. Does everyone in your family know that downed power lines may be live even if they do not smoke, arc or buzz?
☐ Yes ☐ No
3. Does everyone in your family know to stay at least the length of a school bus away from downed lines?
☐ Yes ☐ No
4. Does everyone in your family know to call DTE or 911 to report a downed power line?
☐ Yes ☐ No
5. Do you know to stay away from electrical equipment, such as meters, poles and support wires, substations and transformers (on poles or the green metal boxes in yards)?
☐ Yes ☐ No
6. Do the adults in your family know that you are required by law to call 811 before digging in your yard to avoid hitting buried utility lines?
☐ Yes ☐ No
7. Are electric appliances that can get hot, like toasters, lightbulbs and space heaters, kept away from things that can catch fire like paper or fabric?
☐ Yes ☐ No
8. Are there any electric cords in your home that are frayed, cracked or otherwise damaged and need to be replaced so nobody gets shocked?
☐ Yes ☐ No
9. Are any of the outlets or extension cords in your home crowded with too many plugs?
☐ Yes ☐ No
10. Have you visited the **energysafekids.org/dte** website to play games and learn more about electrical safety?
☐ Yes ☐ No
