

Valentine's day exchange

Valentine's Day will be here before we know it! We will be exchanging Valentine's cards on February 14th. Please have your child bring his/her valentines in a plastic bag for easy transportation. Students will be making a bag to take home their valentines in during our party.

It is very important that if your child brings in Valentine cards that they have one for every child in our class. We have 25 students and below is our class list. Please send the cards to school in a bag on February 14th.

Thank you,
MS. Robrey
