

**Dear Parents,**

**Our third grade musical this year is titled, “COLORS, We’re Better Together”. All students are crayons in a crayon box who explore the difficulties which arise when they must work together to complete the day’s task of coloring another page in the coloring book.**

**Our concert date is, Thursday, March 12 at 7:10 pm. Students need to report to their classroom at 7:00pm.**

**Costumes:**

**Each student will dress in a solid color from head to toe. Some students have a specific color they must wear while other students may wear any color they’d like. Your child should be able to tell you whether they have a specific color or can pick any color.**

**You may choose a t-shirt or sweatshirt solid in color (no logos or words on the front). Pants can be sweat pants of the same solid color as the top.**

**You may visit Salvation Army for an inexpensive shirt and pants, Target or Walmart.**

**Amazon also has crayon costumes that will work but you do not need to spend a lot of money.**

**Every student needs a hat! You can use a variety of things but the shape is a cone. You could make the hat out of a foam sheet from Michael’s , or a solid color party hat, or one from the Crayon Costume section on Amazon.**

**All crayon hats need to look like they have been used, (not a pointy top), I demonstrated for the children how to cut the top off a bit.**

**The only exception is white or black, they need pointy tops on their hats.**

**No special shoes are needed!**

*Thank you!*
