LEUKEMIA &
LYMPHOMA
SOCIETY®

HERO
SQUAD

Dear Parent or Guardian,

Your child's school is participating in **The Leukemia & Lymphoma Society's (LLS) Hero Squad Program**, a service-learning program that helps raise critical funds for blood cancer patients like *Madelina (right)*, who was diagnosed with Acute Myeloid Leukemia in November 2014 at just 2 years old.

**DID YOU
KNOW?**

**LEUKEMIA IS THE #1 MOST
DIAGNOSED FORM OF CHILDHOOD CANCER.**

LLS is the world's largest nonprofit fighting blood cancer and is working to change this statistic through its Children's Initiative, which seeks to accelerate treatments with fewer harmful side effects, so that young cancer patients like Madelina not only survive, but thrive for generations to come.

Now more than ever, Social and Emotional Learning (SEL) is critical to promoting a healthy foundation for learning, both in school and life. That is why the **Hero Squad Program** is designed around the core competencies of SEL, to teach students prosocial skills like kindness, sharing and empathy at a young age, and help them nurture those skills throughout their academic careers.
