

Learning Target: I can use the correct notation for the solution set of a function.

For each problem:

1. State the domain and range using the correct notation.
2. Determine if the relation represents a function.
3. Explain your answer.

Domain: \_\_\_\_\_  
 Range: \_\_\_\_\_  
 Function: YES NO  
 Explanation: \_\_\_\_\_  
 \_\_\_\_\_

Domain: \_\_\_\_\_  
 Range: \_\_\_\_\_  
 Function: YES NO
