

Winter Break Reading Calendar

Dear Parents,

We need your help! Winter Break is 17 days long! It's so important for students to read over break to avoid "backsliding" and falling behind. Please use the calendar and stickers to help your child track their reading practice. Place a sticker on the date for each day that your child reads for 20 minutes and practices word work, letter sound cards, or plays Teach Your Monster to Read online (all login information is on my blog). Reading can be done on Raz Kids or using books from your child's book bag.

Students that read and return their calendar will earn a special surprise!
