

I'm going to master all the Summer Learning expected of me!

Directions for using iLearn:

1. Go to dearbornschools.org

2. Click on Students
3. Scroll down the page. Look for Student Resources. Click on iLearn.

4. Sign in to iLearn. Your username is your student id number.
Your password is whatever you have been using throughout the year. If you have forgotten your password call the help desk: 313-827-3003.

5. Students will be registering for Middle School Summer Learning courses.
Click on your middle school.

Welcome Teacher - Getting Started

Getting Started as a Student

Students: Use the search bar above to [find and enroll](#) in a course. Your teacher may be using an "Enrollment Key". The enrollment key is used once to allow you access to the course. If a course requires an enrollment key your teacher should provide it to you. Once you enroll in a course you can use the My Home and Calendar buttons to get class updates and go to your iLearn classes.

You will also notice several icons at the top of the page. My Home is an overview of all your courses. Calendar will show you upcoming assignments and activities that have due dates. Courses will allow you to browse all available courses in iLearn.

Welcome to iLearn

iLearn is an online blended learning platform built using Moodle software. iLearn allows teachers to build engaging courses to help facilitate blended learning. All the tools needed to build powerful learning experiences are at your finger tips and ready to use! From discussion forums to quizzes and wikis, iLearn can support your classroom learning activities. Best of all... iLearn is yours. You can backup your course and take it with you or make a copy of all your hard work for safekeeping. We understand you put a lot of work into a blended learning course and we would never want you to lose your work.

SUMMER LEARNING

These are NOT summer school courses. These are skill building courses for middle school students.

- [Bryant](#)
- [Lowrey](#)
- [Salina Intermediate](#)
- [Smith](#)
- [Stout](#)
- [Unis](#)
- [Woodworth](#)

6. Enroll in the grade you will be in, in the fall. Sixth grade enrollment key is red. Seventh grade enrollment key is white. Eighth grade enrollment key is blue.
7. Select the learning you would like to work on and begin.
