C-E-R: CLAIM – EVIDNECE – REASONING

Question: Can you pull a tablecloth out from under a table set for a banquet using a motorcycle and without disturbing any of the table settings?

C **Claim** (Write a statement that responds to the question)	
E **Evidence** (Provide data to support your claim. Your evidence should be relevant & sufficient.)	
R **Reasoning** (Use knowledge that you have about the topic to explain WHY your evidence supports your claim.)
