

Away awaaaay
We set a course to find
A brand new island everywhere we roam

Away awaaaay
We keep our island in our mind
And when it's time to find home
We know the way

We read the wind and sky
When the sun is high

We sail the length of the seas
On the ocean breeze

At night we name every star
We know where we are

We know who we are
Who we aaaaaare

Away awaaaay
We set a course to find
A brand new island everywhere we roam

Away awaaaay
We keep our island in our mind
And when it's time to find home
We know the way

We read the wind and sky
When the sun is high

We sail the length of the seas
On the ocean breeze

At night we name every star
We know where we are

We know who we are
Who we aaaaaare

Away awaaaay
We set a course to find
A brand new island everywhere we roam

Away awaaaay
We keep our island in our mind
And when it's time to find home
We know the way

Away away
We are explorers reading
every sign

We tell the stories of our elders in a never
ending chain
Away awaaaaay
