
Walkin' on the Beach

**Walkin on the beach, oh
I love it when
I'm walkin on the beach, oh.**

I love it when the
sun shines down,
warms me all around,
oh. oh.

**Walkin' on the shore, oh.
I love it when
I'm walking on the shore, oh.**

**I love it when the salty air
dances everywhere
oh. Oh.**

**Walkin' along with the
sand in my toes.
Feelin' the spray on
my hair and my nose**

**Watchin' the water and watchin' the waves.
Spendin' my evenings and spending my days.**

I love it, love it. Oh.

I love it, love it. Oh.

I love it, love it. Oh.

I love it, love it. Oh.

**Walkin' on the beach, oh.
I love it when
I'm walking on the beach, oh.**

**I love it when the gulls swoop by
makes me want to fly, oh. Oh.**

**Walkin' on the shore, oh.
I love it when
I'm walkin' on the shore, oh.**

**I love it 'cause the
waves and foam make me feel
at home, oh. Oh.**

**Walkin' along with the
sand in my toes.
Feelin' the spray on
my hair and my nose.**

**Watchin' the water and watchin' the waves.
Spendin' my evenings and spendin' my days.**

I love it, love it. Oh.

I love it, love it. Oh.

I love it, love it. Oh.

I love it, love it. Oh.

**On the beach.
On the beach.
Walkin' on the beach.**
