# OUR GOAL IN KINDERGARTEN

Our goal is to create an all day experience that allows for in-depth exploration of all subject areas at a pace that is appropriate for 5 and 6-year-olds. Our planning also alternates lessons which allow children to move around the room, as well as, lessons where the children will be sitting and listening and/or working.

# WHAT IS YOUNG 5'S?

- The Young 5s program is an early childhood program that is offered for children whose birthdays fall between June 15th and December 1st and need the time and opportunity to continue building their skills and abilities.
- Young 5 expectations are similar to kindergarten, with a focus on:
  - *Social Emotional*
  - *Learning through play*
  - *Collaboration: sharing, problem solving, stamina*
  - *Literacy, numeracy, science social studies*
  - *Early Reading groups and strategies*
  - *Fine and Gross Motor skills*

# ABOUT YOUNG 5'S?

- *Is my child losing a year?*
  - No, your child is gaining a year and will be more equipped to handle the demand of school years to come. Young 5 students end up being the leaders in our buildings and many are soaring academically. Research shows that students who attend kindergarten readiness programs like Young 5's are more likely to do well in school and attend college.
- *My child went to preschool, isn't this the same thing?*
  - Preschool has a completely different curriculum from Young 5s. Young 5's classrooms are introduced to the Kindergarten Curriculum using a hands on approach which introduces key concepts and academic vocabulary.
- *What is the schedule for Young 5/ Special Area Classes?*
  - Y5/Kindergarten schedules are the same runs M-F (all day). Students participate in all kindergarten activities, such as music, art, PE and enrichment throughout the year.

- *For the 2020-2021 school year, a full lunch, including milk, at no cost.*
- *We also have a breakfast program that is offered in the cafeteria before school, at no cost.*

# 3RD GRADE READING LEGISLATION LAW

- *HB 4822, signed by Governor Snyder on 10/6/16, is now Public Act 306 of 2016:*
- *Attempts to ensure that more students will achieve a score of at least proficient in ELA on the 3rd Grade state assessment*
- *Requires implementation of Multi-Tiered Systems of Support elements to ensure early intervention of at risk students*
- *Legislates a process to retain students that fail to read proficiently by the end of 3rd grade*
- *In response to this law we currently have a program in place to help our students maintain grade level reading, called LLI.*
- *Tracy Wright is our Early Childhood Specialist, she works with our Kindergarten students in small reading groups using the LLI program.*

# SOFT START & Y5/KDGG DAYS- MARK YOUR CALENDARS
