|  | <b>Kade (Art):</b> <a href="#">Class Blog</a><br><a href="#">Google Classroom</a>   | Create a new video game character on 8x11 paper and  | Effort should take 3 hours (the amount of time I would see you   | For bonus points fill in background for context and   | Draw big, putting basic shapes together. It   | Photo,turn in, or email projects to: <a href="#">Kade Email</a>   | Coming soon: TBD   |

|   |  |  |   |        |                                     |  |  |
|---|--|--|---|--------|-------------------------------------|--|--|
|   |  | color in marker  | this week.  | flair! | helps with proportions and realism. |  |  |
|   | <b>Wolff (Band/orchestra):</b><br><a href="#">Mr. Wolff's IBLOG</a>  | For the week you will be practicing songs in your method book and working on your concert music. You will record videos showing weekly progress and this will be uploaded to google classroom. You will also be required to do at least 5 sight reading selections from sight reading factory per week. This will also be recorded and uploaded to google classroom. The last thing you will need to do will be to go to musictheory.net and do 25 note identifications per week. They will need to take a screen shot of what they have done and post it to google classroom. |   |        |                                     |  |  |
