Goal +1200

At Fordson High School it is the goal that every student graduate with a Lexile reading level of 1200 or higher. The best way to improve reading is to read more. This summer as we reconnect with family and friends, don't forget to take some time to read. If you don't already have a library card, now is the perfect time to register for one. If you already have a library card, explore the amazing digital offerings and summer programing through the public library. You may not know it, but the Fordson Library's catalogue is available online too! You can start adding to your "to be read" stacks now and check out the books when we are back to school at the end of summer.

Remember our school-wide goal is 1200+ by graduation. Reading at that level prepares everyone for the world after high school! All careers require a minimum Lexile level of 1200.

In the fall, all Fordson students will take the Scholastic Reading Inventory (SRI) to determine their Lexile level. This is an opportunity to learn about your current reading level and set personal goals to reach 1200+! At Fordson we want every student to be successful and grow as readers each year!

Library Cards

Dearborn Public Library has set up a way for residents of Dearborn/Dearborn Heights to remotely register for temporary Dearborn Public Library cards. These cards will allow access to all Dearborn Public Library electronic materials. Instructions and highlights of available eResources are available through the following link:
https://dearbornlibrary.org/wordpress/need-a-temporary-library-card/

Plan Your Future Reading - Access the Fordson Library Online

Have you ever struggled to find your next read?

Story Time Teen is a site with a Book Rec Generator to help match readers with a young adult book they'll love in 60 seconds or less. It's like having an entire library at your fingertips. And, best of all, it's a completely free way to fall in love with reading all over again. The book lists are also curated by teens! Give it a try: https://www.storytimeteen.com/start
