Classwork 5-8-18

Create a Nature Scene

Today's Objectives:

By the end of the class period students should be able say:

1. **I CAN Create a Nature Scene using Fireworks by using the eraser tool to fine tune and edit images.**
-

1. Open a new Fireworks document

Dimensions:

W 800

H 600

2. You should find an image on the web that is a nature background and find images of animals to add to the background. They may be all the same animal or more than one animal. **Your goal is to make the photo look like all animals are actually in the photo. (DO NOT FADE THE ANIMALS)**
3. You should have at least 5 images on top of the background
4. Use the eraser tool to erase all unnecessary parts of the pictures that you import.
5. Save as ### last name, first name-Nature

Example
