

Hello Snow families!

When this year's 5th-Grade class was dismissed on March 12th, little did they know they would be saying goodbye to their elementary school, along with many of the 'lasts' that were yet to come.

With the help of the school staff and the PTA, let's come together and celebrate them and their years at Snow with a sign for their yard! Each sign is only about \$5. You can donate at the [secure link here](#). Congrats class of 2020!
