The screenshot shows a mobile application interface with a dark header bar containing a hamburger menu icon and the text "Connect to school district". The status bar at the top shows "AT&T", signal strength, Wi-Fi, time "15:36", and battery "64%". The main content area has a blue link "Select a school district to access". Below this are three input fields: "State: Filter districts by state", "County: Filter districts by county", and "District: Select School District". At the bottom, there is a text input field labeled "Enter ParentConnection".

Using the “picker” select the following:

- Michigan
- Wayne
- Dearborn Public

Review information

That's it. Now you have access to the information in ParentConnect. Although this isn't a complete resource, most of the popular items.

Using the App

The App can provide lots of information. The Q ParentConnection App can also be used to report absences.

Click on Report Absence, you can then choose to enter attendance for the whole day or only for a specific length of time, for one student or multiple students.

Follow the prompts. (*We will update with more specific information soon*).
