Things to know

What to expect

Tools to use

Tips

Let's remember

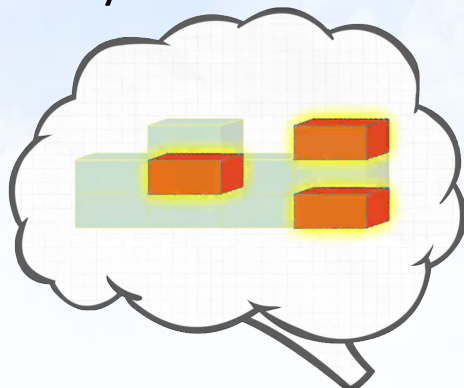

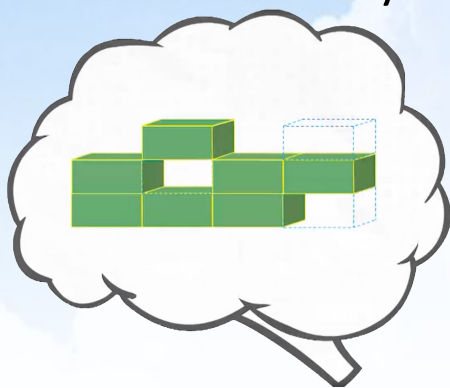

**“Why are we taking the
i-Ready Diagnostic?”**

Remember, the Diagnostic Is Important Because It . . .

The Diagnostic helps **you** and **your teachers**:

- Understand what you already know and what you need to learn

- Make the best use of your learning time
- You get to show what you know! Try your best so you can show what you've learned.

Why Are We Taking This Again?

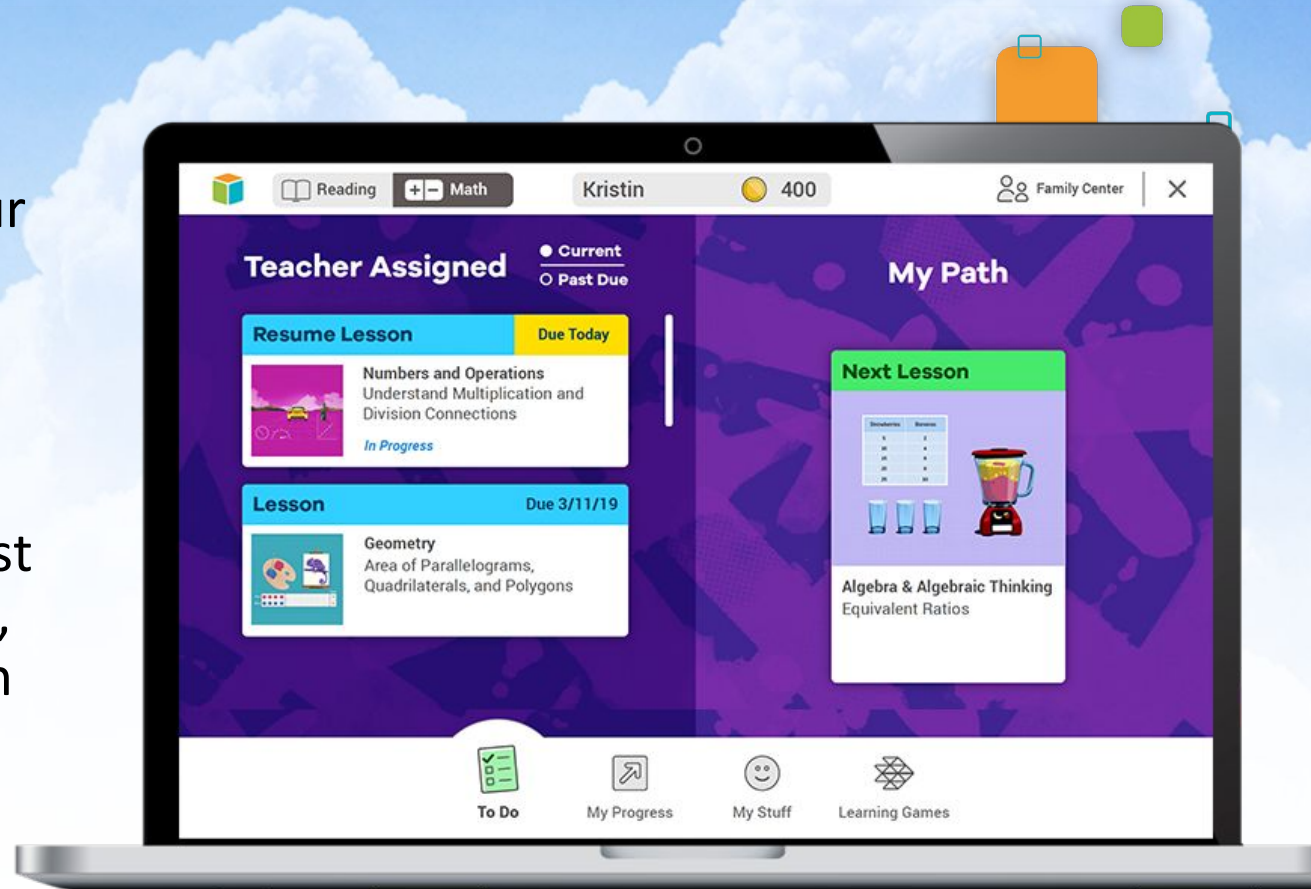

Taking the next **Diagnostic** helps us:

- **Celebrate** what you learned
- Know your **progress** toward goals
- Learn **how much you need to know** before the end of the year
- Get **new lessons** that are just right for you

Online Lessons

- The results of your Diagnostic decide what lessons you will get.
- If you try your best on the Diagnostic, lessons will match what you need to learn.

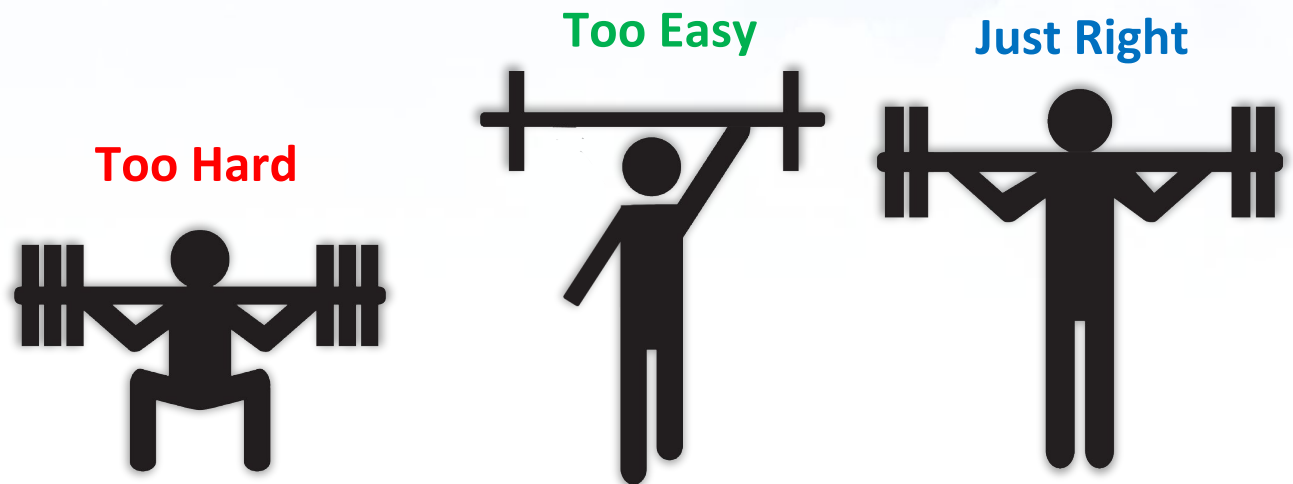

Talk about How We Take the Diagnostic

As a class, something we did well was . . .

As a class, let's work on . . .

What Should You Do?

- Remember **this test is adaptive!** You should try your best but know you'll get questions you don't know how to answer.
- You will see questions **you won't know how to answer** because you haven't learned them yet. That is okay!
- **Try your best. Do not rush,** but do not spend too much time on any one question.

Introductory Demo Videos

Optional

MATH 

READING 

Helpful Tips

Take your time and **do not rush**.

Read each question and answer choice **carefully**.

If you get a question you have not learned yet, **try your best**.

For Math—Show your work on **paper** for every problem.

For Reading—Read each passage carefully, and **reread** the passage when necessary.

Check your work before going to the next question.

Our Plan

After the Diagnostic, *i-Ready* creates a special report for you and your family.

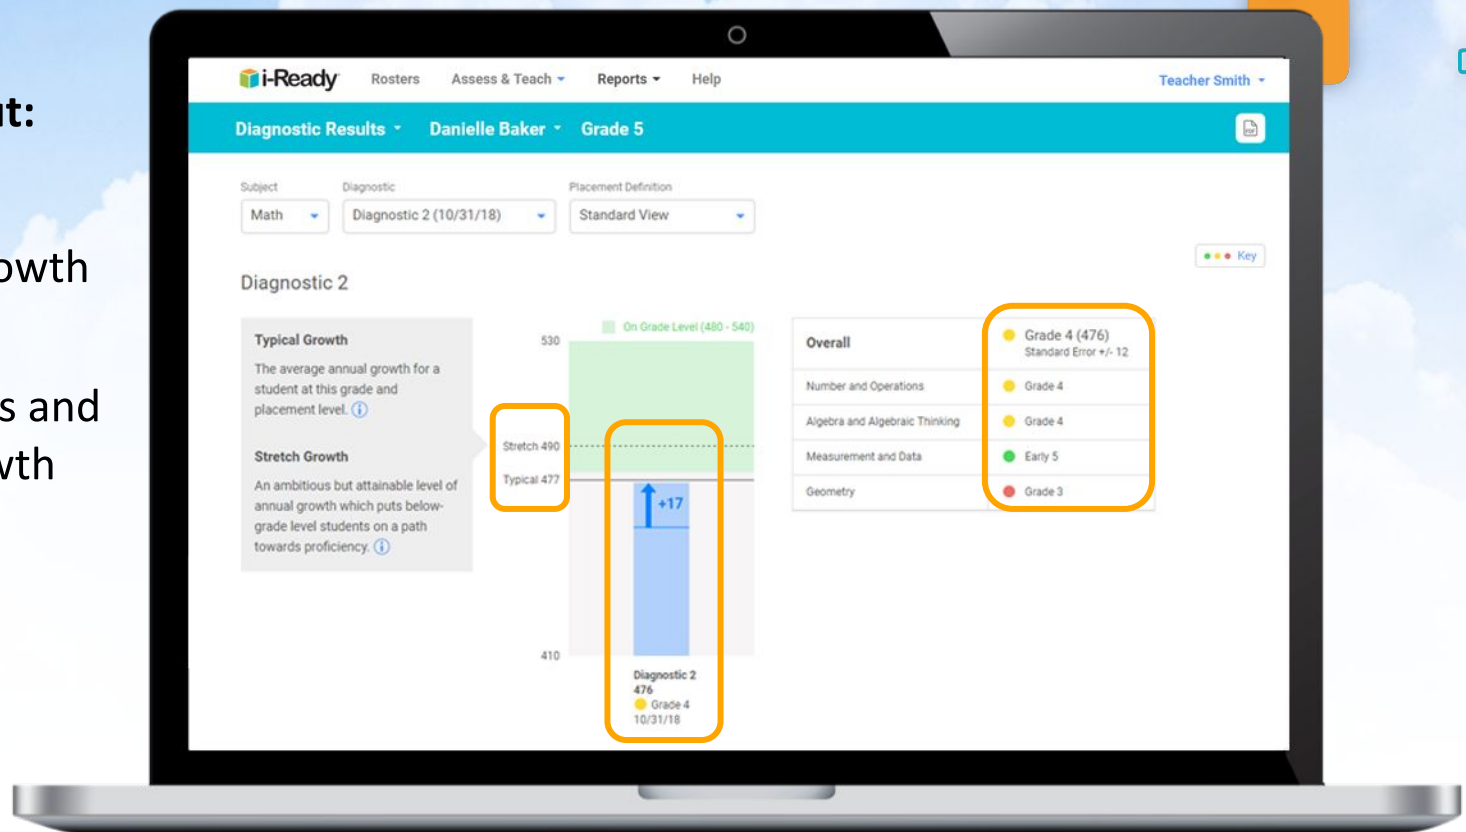

Our Plan

After the Diagnostic, we can review your results and goals.

We can talk about:

- How you did
- What your growth goals are
- Your strengths and areas for growth

Our Incentives

Optional

- Class incentives
- Individual incentives

Reflection

- What strategies do you plan to use on your *i-Ready Diagnostic*?
- What do you want to remember?

YOU WILL ROCK IT!
