

Hello everyone!

1- The state has come up with new guidelines for computer usage with young children. Your child's screen time should be limited to 1 up to 1 ½ hours per day.

2- The programs we will be monitoring will be:

READING	SPELLING	PHONICS	MATH
Raz-Kids www.raz-kids.com	Spelling City SpellingCity.com	Lalilo Lalilo Online Phonics program for Distance Learning	Zearn Zearn Math: Top-rated math program created for teachers, by teachers

Enrichment Websites:

READING	MATH	PHONICS
ReadWorks	Happy Numbers	Freckle
Vooks	XtraMath	Starfall
Storyline online	Freckle	

3- Log-in information and passwords can be found in Google Classroom.
How to log-into Google Classroom: 1.Go to Dearborn Schools Student Portal 2. Login to Clever (Username: Student number@dearbornschools.org/ Password: Birthdate (01012011) 3.Click on Google Classroom and join class 4.Enter class code jwcyfl for Ms. Sims' class and fg6617c for Mrs.Grahl's class.

4-Find a "study spot," some place where you will go to do your daily work. A spot for school work only, no where near the TV or video games, if possible.

5- Create a schedule to follow every week day. Still get up at a set time, do your regular routine as if you were going to school. Then go into your

school work. Following a routine will be VERY helpful especially to children. They need the consistency of a schedule.

BRAIN BREAK IDEAS:

- Mr. Tapp's blog, go outside if it's a nice day (practice social distancing), or do "GoNoodle." It's free and families can sign up:

<https://www.gonoodle.com/>

-Check Mrs. Meyer's blog for music ideas

-Mr. Goecke's blogs for art ideas

- Mr. Neff and Mrs. Poisson's blogs with have some literacy and technology ideas

- Other resources:

If you have a membership, check out Dearborn Public Libraries. The children can "borrow" new books and they also have movies (including the latest ones that aren't streaming/on cable yet).
