

We will leave Lowrey at approximately 8:30 am on Wednesday 2-14-18. We would arrive back at school between 3:00 and 3:30pm. This will allow for a full afternoon of outdoor fun, and appropriate transportation time.

Please fill out the permission slip below. Students going on the trip will also need to turn in a signed waiver in order to attend the trip. Parents who plan to ski or snowboard must also fill out a waiver.

Money, waiver and permission slip are due on Wednesday February 7, 2018.

If there are any financial issues that may prevent your child from attending this class trip-please contact one of your child's 6th grade teachers, or someone in the Lowrey office or counseling office. We will try to make accommodations- we truly would like for all students to enjoy this experience!
