

A black and white line drawing of a two-story house with a chimney. The house has several windows, some with panes. To the left is a large tree. In the top right corner is a sun with rays. Various small figures are scattered around: one on the roof, one in a window, one on the porch, one in a tree, one pulling a wagon, and one near a small tree in the foreground. The entire scene is enclosed in a rounded rectangular frame.
