Individuals who have committed sexual offenses against children may be denied membership and/or have their membership revoked

The **Michigan Educators Membership Program** is an on-line Optimist Club also dedicated to "Bringing out the best in our youth, in our communities, and in ourselves". We are working with students in the Lower Peninsula of Michigan. The purpose of the Michigan Educators Membership Program is to provide teachers, principals and educators throughout the Michigan Optimist District the ability to officially participate and download any and all Optimist International programs for their classrooms, students, community and themselves.
