

# Sight Word Homework Ideas In Alphabetical Order

 **3-D Words**– Use Play Dough or clay to sculpt your sight words.

 **ABC Order**– First write your sight words in a list. Then write them again in alphabetical order. Finally, write them in reverse alphabetical order.

 **Across and Down Words**– Write each of your sight words across and then down. See the example below.

Example: teach

t  
e  
a  
c  
h

 **Acrostic Poem**– Choose one of your sight words. Write an acrostic poem for that word. You must also illustrate your poem.

Example: fly

Fun in the sky  
Laps around clouds  
Yes! I'm free!

 **Adding My Words**– Each letter has a value. Consonants are worth 10 and vowels are worth 5. Write your sight words. Then add up the value of each sight word.

Examples:

said  $10+5+5+10 = 30$

there  $10+10+5+10+5 = 40$

 **Air Write**– Write your sight words in the air using your finger. Have a partner read your words as you write them OR a parent can “air write” your words and your job is to read the words.

 **Draw and Label**– Draw and label your sight words. You must color your drawings. Don't forget to add lots of great detail!

 **Etch a Word**– Use an Etch-A-Sketch to write your sight words. Read the words to a parent or sibling.

 **Fancy Letters**– Write your sight words. Then write them again using *fancy* letters.

 **Flash Writing**– In a darkened room; use a flashlight to write your sight words in the air. Have a partner read your words as you write them OR a parent can “flash write” your words and your job is to read the words.

 **Good, Clean Words**– Find a countertop or flat surface that can be cleaned easily. Spray a small amount of shaving cream and spread it out. Write your sight words in the shaving cream and be sure to clean up afterwards!

 **Goofy Sight Story**– Write a goofy sight story using each of your sight words. Be sure to underline your words as you use them. Illustrate and color your story!

 **Hidden Words**– Draw a picture and write your sight words in the picture. Try to hide the words!

 **Hopscotch Words**– Make a hopscotch board on the sidewalk or driveway with chalk. Write letters instead of numbers. You get to HOP your words!

 **Letter Writing**– Write a friendly letter to a teacher or friend using each of your sight words. Underline the sight words that you use in your letter.

 **Magazine Words**– Use an old magazine and find your words (or the letters that make up your word). Cut it out and glue it on your paper.

the  
them

 **Rhyming Words**– Write each of your sight words. Next to each word, write a rhyming word. If necessary, your rhyming words can be nonsense words, but make them follow the same sight pattern.

 **Riddle Me**– Write a riddle for each of your sight words. Don't forget to add the answer to your riddles. Then have a parent, sibling, or friend try to figure out your riddles.

 **Scrabble**– Use Scrabble tiles to spell out your sight words. For a little extra math practice, figure out the value of each of your words!

 **Scrambled Words**– Fold a piece of paper three times lengthwise (making three long rectangular columns). Write your words in the first column. Then write them again with the letters all mixed up in the second column. Put your words aside. Come back later to unscramble your words. Write the unscrambled words in the third column.

 **Secret Agent Words**– Number the alphabet from 1–26.  
Example: a=1, b=2, c=3, d=4, e=5, etc.  
Then convert your words to a number code.

 **Sentence, Please**– Write sentences using each of your sight words. You may use more than one word in a sentence, but you must write at least 10 sentences. Underline your sight words.

 **Sign Your Words**– Use sign language finger sight to sign the sight of your words. Check out Unity Kid's site <http://www.unitykid.com/signlanguage.html> to see animated hands making the letters so you can practice!

 **Silly Sentences**– Write silly sentences that include your sight words. Underline your words.

 **Squiggly Sight Words**– You are going to write your sight words two times. First write in regular letters. Then write the words again in squiggly letters!

 **Story, Story**– Write a story using ALL of your sight words. You may type your story and email it to me if you like.

 **Superman Letter**– Your job is to write a creative letter to Superman (or another superhero). In your letter, you must use each of your sight words. Be sure to underline your words as you use them.

 **Surround Words**– Write your words on graph paper. Write “middle” letters, one letter in each box. Use two boxes for “tall” letters like t and l and “low” letters like j and g. Then outline the words using different colors of crayon, colored pencils or markers.

 **Telephone Words**– Look at your telephone (or cellphone) keypad. Translate each letter into the numbers on the keypad. Now write your sight words using this code!

 **Three Times**– Write your sight words three times. First write your words in pencil. Second, write each word in crayon. Third, write each word in marker.

 **Toss a Word**– Toss (or roll) a ball back and forth with a partner. You say the 1st letter, and then toss and your partner says 2nd letter, and so forth.

 **Trace a Shape**– Draw a shape for each of your sight words. Then trace each shape by writing your sight words around them.

Example:

 **Trace Around**– Write each of your sight words using a pencil. Then trace around each word with a crayon, colored pencil, or a marker.
