Thank You To All Who Auditioned!

If I am on the cast list, what do I do next?

Celebrate! Congratulate others. Be thoughtful to those who didn't the part that they hoped for and remember every role is important.

Everyone in the cast should attend the first rehearsal read thru on Tuesday, Jan 29th after school at 3:30 PM that goes until 5PM.

We will read through the show and get to know it. Bring water, a pencil and a highlighter. You will meet the production staff and be given a rehearsal schedule for the first few weeks and other information.
