Hello, cast of Seussical the Musical Jr.! Thank you so much for auditioning and for giving us everything you got. You made our decisions extremely difficult ones, which is exactly what we expected! Every single one of you is completely AMAZING, so whether this cast list has you excited or disappointed, we hope you find joy in knowing that you're so special to this cast, and we are so excited to work with you!!!

If your name isn't on the list know that it may have been a simple error on our end. See one of the STC leadership members so we can correct it.
