

Hello Lindbergh Families,

My name is Yazmin Gerardo and I'm so excited to join the Lindbergh family as the new Kindergarten teacher. I will be your child's kindergarten teacher for the remainder of the school year. I am so excited to be able to continue helping them learn and grow as they prepare for the next school year. This has not been a typical school year, however we must adapt to this new normal. A good thing is that children are resilient and will pull through these times with your support and mine.

A little bit about myself: I received my bachelors from Michigan State University in Interdisciplinary Humanities. More recently received my masters from University of Michigan in Elementary Education.

Here are some of my favorites:

Colors: Purple and Dark Green

Season: Fall

Food: Tacos

Book Character: Piggie (from Elephant and Piggie Books)

Things to do: Play with my dogs

I will continue to work with Mrs. Anthony and Mrs. Muston to help me transition into taking over the class.

If you have any questions you can contact me on:

- Remind App OR
- [gerardy@dearbornschools.org](mailto:gerardy@dearbornschools.org)

Can't wait to work with you and your students.

Warmly,

Ms. Gerardo
