

BLUE ANGELS AND THUNDERBIRDS NEWS

The Blue Angels Flying

Special jets from the U.S. Navy and U.S. Air Force started flying over U.S. cities on April 28. The jets are flying to thank healthcare workers who are helping to stop the coronavirus. The jets from the U.S. Navy are called the Blue Angels. The jets from the U.S. Air Force are called the Thunderbirds. The jets will fly over cities in New York, Texas, Florida, Michigan and more. The Navy and Air Force will announce cities the jets will fly over on the @BlueAngels and @AFThunderbirds Twitter pages. Many people will watch the jets.
