

## CORONAVIRUS TV SPECIAL

Lady Gaga

A coronavirus TV special called One World: Together at Home is on April 18. Famous singer Lady Gaga is organizing the TV special to celebrate and support the healthcare workers who are caring for people with the coronavirus. Many famous singers, including Billie Eilish, Elton John, Keith Urban and Chris Martin, will perform on the TV special. They will sing in their homes. The TV special will feature doctors, nurses and families from around the world telling their stories too. People can watch on their TVs, computers and other devices. Will you watch this TV special?
