

MCDONALD'S THANK YOU MEALS

A Meal From McDonald's

McDonald's® restaurants want to thank the people who work to keep others safe and healthy. From April 22 until May 5, McDonald's is offering free Thank You Meals to first responders and healthcare workers. First responders include police officers, firefighters and paramedics. Healthcare workers include doctors, nurses, therapists and aides. The Thank You Meals are available during breakfast, lunch and dinner. First responders and healthcare workers can show their badges or wear their uniforms to receive one free meal a day. Each meal is served in a Happy Meal® box and includes a thank-you note.
