

NFL DRAFT

The 2019 NFL Draft

The 2020 NFL Draft is April 23-25. NFL football teams pick new football players during the draft. The NFL football teams take turns picking players. The Cincinnati Bengals team will pick the first player of the draft. Many people will watch the NFL draft online or on TVs. Usually the draft takes place in a city, and many players are invited to come to the draft. This year the draft will be online because of the coronavirus. The draft will raise money to help healthcare workers who are working to stop the coronavirus.
