

HELPING LOCAL RESTAURANTS

Kids Making Their Own Pizza

Many people are ordering takeout and delivery meals from their favorite local restaurants. Restaurant dining rooms in many states are closed because of the coronavirus, and many local restaurants may go out of business. People want to help the restaurants stay open! People are ordering food from the restaurants so the restaurants can make money. Some restaurants are selling fun meal kits for families to make meals at home. Some Mexican restaurants are selling build-your-own taco kits with ingredients you need to make tacos at home! Pizzerias are selling make-your-own pizza kits, and donut shops are selling donut decorating kits!
