

SOCCER IN GERMANY

Soccer Players Playing Soccer in Germany

A soccer league in Germany called Bundesliga started again on May 16. Soccer teams in the league are playing soccer games again. The teams stopped playing to help stop the spread of the coronavirus. This league is the first major soccer league to start again. They are also one of the first high contact sports leagues to start again. Now soccer games will be different. Fans cannot go to the stadiums to watch soccer games, but they can watch the games on TVs. Players and team managers on the sidelines will wear masks. Fans are excited to watch soccer games again!
