

WASHINGTON NATIONALS GET RINGS

The Washington Nationals Celebrating After Winning the 2019 World Series

The Washington Nationals MLB baseball team will receive their World Series championship rings on May 24. The Nationals won the World Series in 2019. The MLB baseball team that wins the World Series always receives championship rings. The winning team usually receives the rings at the start of the next baseball season at a ceremony at a baseball game in front of fans. Teams are still not playing baseball in stadiums, so this year the ceremony will be online. People can watch the ceremony on TVs, computers and other devices. Will you watch the ring ceremony?
