WHAT

WHITE HOUSE TOURS

People can go on tours of the White House again.

The tours had stopped in March because of the coronavirus.

The White House is in Washington, D.C.

The U.S. president lives and works in the White House.

Tours of the White House will start again on September 12.

12

People on the tours can see rooms in the White House.

They can see the

Red Room,

China Room

and State Dining Room.

People must wear face masks on the tours.

People must stay six feet apart too.
