

Double Bubble

Due: Tuesday, December 13th.

Students will compare and contrast basketball and one other sport of their choosing. Basketball is our next unit let's see what prior knowledge you have about basketball and any other sport you choose.

Create a double bubble use the example below and the one I used in class to help guide you. Make sure your name and (A or B) day are somewhere on the page.

RUBRIC: (5 points)

1 point- Title/Date/Name/Hour

1 point - Two sports (basketball and your choice)

1 point- you have (at least) 5 bubbles connecting your sports and on each side. (15 total as a min)

1 point- It is colored and organized (pretty.)

1 point-you followed directions and everything on your paper is spelled correctly as well as factually correct.

Quick Example (this is not a 100%, you need to figure it out and make the adjustments)

Make it better and nicer than the example below! Have fun!!!

HOCKEY vs Lacrosse Double Bubble
