

IT TAKES A BIG HEART to teach little MINDS.

Hello Parents!

The PTA will celebrate Teacher Appreciation Week from May 7th-11th. Each day we honor the teachers and staff with a little something special. Listed below are the events that will take place each day that week.

Monday, May 7th - is a PTA sponsored breakfast.

Tuesday, May 8th - Mr. Blessing will present the staff with a gift.

Wednesday, May 9th - is Flower Day (Please bring in 1-2 flowers for Mrs. Turk. They can be store bought or from your yard. A parent volunteer will collect the flowers to make a bouquet for Mrs. Turk.)

Thursday, May 10th - is a PTA sponsored luncheon.

Friday, May 11th - each class will present a gift to their teacher***

*** We are asking for minimum of \$10.00 donation from each student. As always, if you would like to contribute more it is appreciated. The money will be combined to purchase a nice and thoughtful gift that is sure to put a smile on Mrs. Turk's face!! This year a portion of that donation will also go towards a gift for the Gym teacher.

In addition to the requests above, the homeroom parents will decorate Mrs. Turk's board outside of her classroom and the Gym board after school on Friday, May 4th.

This is our chance to give something back to Mrs. Turk and show her how much she means to us! She works very hard to make her students feel loved and special. Her time and effort she puts in to make learning fun should be recognized. Your support is needed to make it a success and to show Mrs. Turk how much we appreciate her and her hard work with our children.

Please put the donation in an envelope and put your child's name on it. Then give it to one of the parents listed below or Mrs. Turk by Wednesday, May 2nd.

We would like to "Thank you" parents for all your support this year!! If you have any questions feel free to contact one of us.
