

Social Studies Unit 1 Study Guide

TEST WEDNESDAY 10/24

Students should be familiar with all of the ideas below.

Communities:

- **are places where people live, work, and play together.**
- help people meet their basic needs, which are **food, clothing, and shelter.**
- help keep people safe.

Natural Characteristics:

- **NOT made by humans.**
- Examples: **trees, toad,** flower

Human Characteristics:

- **Something made by a person.**
- Examples: **road, house,** school

Forms of transportation:

- **bus,** train, car, subway

All communities:

- have **people, buildings,** and **places to live.**
- are different (**some DO NOT have rivers,** bridges, hills, etc., **a city has a lot of buildings and a lot of people, small towns have farms.**)

Governments:

- The **main reason we form them is to keep people safe.**
- They **DO NOT decide children's allowance.**
- They make and enforce laws (example: **police officers give a ticket to someone for speeding.**)
