Position Pitches

Everybody is required to pitch themselves as a department head during the first semester.

Students will be required to be a head of a department in the second semester.

This pitch is goes under “Big Projects” and counts for a big chunk of your first semester grade.

If students are not ready to present on the required date, 2 points will be subtracted from their overall score. If they are not ready on the second day, 5 points total will be subtracted. If they present on any subsequent day, 10 points will be subtracted.

Any student who has pitched can ask Mr. Rauscher to pitch again to improve their score.
