

FREE! INTERACTIVE SPRING SPATIAL CONCEPTS BOOK

Where are Spring Things? Cut and Glue

Prep: Print out each page and cut on dotted line. Staple all the pages except the page with the 5 spring things and the bush together to make a book.

Instructions: Cut out the 5 spring thing pictures and the bush. On each page glue the spring thing in the correct spot.

On the "behind the bush" page, first glue the bunny then glue the bush to show "behind."

Where are the Spring Things?
