FLOWERS FOR ALGERNON / *from* CHARLY

COPY MASTER

Reading Check

Directions: Recall all characters and events in the story. Then answer each question in sentences or phrases.

1. What qualities in Charlie encourage the doctors to accept him for their experiment?

2. What are some of the changes in Charlie that indicate his increasing intelligence?

3. Compare and contrast the way Charlie's coworkers treat him before and after his operation.

4. Why does Charlie devote himself to research so intensely when Algernon's behavior alters?

5. What are the first signs of regression that Charlie recognizes in himself?
