

# Mrs. Zastrow's 5th Grade

## Week of September 24, 2018

	What We Are Exploring This Week!		What You Can Do At Home To Help
Math	<u>Module 1: Place Value and Decimal Fractions</u> Lesson 7 Round a given decimal to any place using place value understanding and the vertical number line. Lesson 8 Round a given decimal to any place using place value understanding and the vertical number line. <b>MID-MODULE ASSESSMENT</b> Lesson 9 Add decimals using place value strategies and relate those strategies to a written method.		We have an assessment this week, so please review your child's exit tickets for the test. They will be sent home Tuesday or Wednesday. ..... <b><u>HOMEWORK</u></b> - HW is subject to change Monday - Succeed, Lesson 7 Tuesday - Succeed, Lesson 8
Reading	<u>Main Idea and Supporting Details</u> Standard: R.I. 5.2 Determine two or more main ideas of a text and explain how they are supported by key details; summarize the text.		Have your child choose an informational text and read it. Then ask them to identify the main idea, supporting details, and give the evidence from the text. <b><u>HOMEWORK</u></b> - HW is subject to change Read 20-30 minutes a day
Writing	<u>Personal Narrative</u> Publishing  <u>Opinion Essay</u> Planning our writing		Most students are almost finished publishing their personal narratives. The few who are not will finish up on Monday. By Tuesday we will begin our new opinion piece. Have your child discuss the topic at home and repeat their reasons multiple times throughout the week, so they will be more confident while drafting in class.
Spelling	Spelling Pattern: 1. object 2. comedy 3. blossom 4. frozen 5. poster 6. introduce	Content Vocabulary: 7. vertical 8. summarize 9. opinion 10. lunar	Please review the short and long o sound in words 1-6 and discuss the meaning of numbers 7-10. ..... <b><u>HOMEWORK</u></b> - HW is subject to change Monday - ABC Order Tuesday - Write 3 times each Wednesday - Sentences Thursday - Syllables
Science	<u>Earth and Sun</u> How can you explain why we see some natural objects only in the night sky, some only in the day sky and some at both times?		Take the time to let your child watch videos about the night sky. We are watching a short Bill Nye one in class, they can rewatch at home to help them dig deeper into the topic. <a href="https://vimeo.com/107050146">https://vimeo.com/107050146</a>
Social Studies	<u>Unit 1: Our Government</u> Study Guide and Assessment		We will be working on the Study Guide this week and notebooks will go home for additional practice Wednesday. On Friday we will be taking the unit assessment. Please have them review all their notes, charts, and the study guide.
