

Mrs. Zastrow's 5th Grade Week of October 8, 2018

	What We Are Exploring This Week!		What You Can Do At Home To Help
Math	<u>Module 1: Place Value and Decimal Fractions</u> Lesson 11 Multiply a decimal fraction by single-digit whole numbers, relate to a written method through application of the area model and place value understanding, and explain the reasoning used. Lesson 12 Multiply a decimal fraction by single-digit whole numbers, including using estimation to confirm the placement of the decimal point. Lesson 13 Divide decimals by single-digit whole numbers involving easily identifiable multiples using place value understanding and relate to a written method.		We are going a little slower and remediating some of what the students missed on their mid-module assessment. Please review the past few lessons, paying attention to rounding decimals to the closest tenths, hundredths, and thousandths. <u>HOMEWORK</u> - HW is subject to change Wednesday - Succeed, Lesson 12 Friday - Succeed, Lesson 13
Reading	<u>Relationships/Interactions within Texts</u> Standard: RI 5.3 Explain the relationships or interactions between two or more individuals, events, ideas, or concepts in a historical, scientific, or technical text based on specific information in the text. Cause and Effect Problem Solution One Person/Big Event		We are looking at 3 kinds of relationships (cause/effect, problem/solution, one person/big event). Have your child read information text and see if these relationships are found in the books. <u>HOMEWORK</u> - HW is subject to change Read 20-30 minutes a day
Writing	<u>Opinion Essay</u> Publishing our writing		If your child has not finished their opinion essay at school, give them an opportunity to finish at home.
Spelling	Spelling Pattern: 1. chosen 2. graphic 3. awhile 4. throughout 5. shatter 6. homophones	Content Vocabulary: 7. analyze 8. effect 9. gravity 10. culture	Please review the digraph in words 1-6 and discuss the meaning of numbers 7-10. <u>HOMEWORK</u> - HW is subject to change Monday - ABC Order Tuesday - Rainbow Words Wednesday - Sentences Thursday - Syllables
Science	<u>Earth and Sun</u> Planets and the Solar System		Again, it's hard to really get hands on with the topic. So have your child watch videos about the solar system and look at pictures online.
Social Studies	<u>Unit 2: Three Worlds Meet</u> Lesson 3: Comparing Southwest Native American & Pacific Northwest Native Americans Lesson 4: Eastern Woodland Native Americans		The rest of the school year deals with history with a LOT of information. Ask your child relate what they learned in social studies every day. This will help them remember the information, especially since they will be taking a MSTEP social studies test at the end of the year.
