

Mrs. Zastrow's 5th Grade

Week of September 16, 2019

	What We Are Exploring This Week!		What You Can Do At Home To Help
Math	<u>Module 1: Place Value and Decimal Fractions</u> Lesson 3 Use exponents to name place value units and explain patterns in the placement of the decimal point. Lesson 4 Use exponents to denote powers of 10 with application to metric conversions.		Each homework assignment has a Homework Helper page. Please take the time to have your child review those before starting the problems. If they come across a question they do not understand, have them read through the Homework Helper again. <u>HOMEWORK</u> - HW is subject to change Monday- Succeed Lesson 2, pages 5, 6, & 7 Wednesday- Succeed Lesson 3, pages 11 & 12
Reading	CCSS: RL.5.1 – Quote accurately from a text when explaining what the text says explicitly and when drawing inferences from the text.		Due to testing, we did not get to touch on the standard. So we will continue with it and students should continue to read at home and make inferences on what they read. <u>HOMEWORK</u> - HW is subject to change Read for 20 minutes a day
Writing	<u>Personal Narrative</u> Reading mentor texts planning our personal narratives		We starting mapping our stories and connecting feelings to them. The more your child repeats their story, the more they'll remember the feelings behind them.
Spelling	Content Vocabulary: 1. summarize 2. message 3. standard 4. opaque 5. branch	Spelling Pattern: 6. restless 7. seven 8. sentence 9. check 10. exercise	Have your child orally practice the short e sound by clapping. For example they would say r *clap* s t l *clap* s s for restless. <u>HOMEWORK</u> - HW is subject to change Complete the spelling brochure by Friday. - ABC Order - Sentences - Rainbow Words - Syllables
Science	<u>Earth and Sun</u> * Investigation 1.2 What can be learned by studying the length and direction of shadows? * Investigation 1.3 What causes day and night?		Continue watching the sun and the shadows. Have your child sit outside and draw the shadows they see and locate the sun.
Social Studies	<u>Unit 1: Our Government</u> * Lesson 2: How is our government organized to limit power? * Lesson 3: Federalism- How is power distributed? * Lesson 4: How does the Bill of Rights serve to limit the powers of government?		WE will be watching a few clips of Liberty Kids off Youtube later in the year. Have them begin so they can get an idea of why government's power is limited.
