

Mrs. Zastrow's 5th Grade

Week of October 14, 2019

	What We Are Exploring This Week!		What You Can Do At Home To Help
Math	<u>Module 1: Place Value and Decimal Fractions</u> Topic D Quiz Lesson 11 Multiply a decimal fraction by single-digit whole numbers, relate to a written method through application of the area model and place value understanding, and explain the reasoning used. Lesson 12 Multiply a decimal fraction by single-digit whole numbers, including using estimation to confirm the placement of the decimal point. Topic E Quiz Lesson 13 Divide decimals by single-digit whole numbers involving easily identifiable multiples using place value understanding and relate to a written method.		Again, we reviewed rounding and worked at it with a few different strategies, but still many students are not understanding it. Please have them continue to work on ZEARN and review lessons 7 and 8 on it. <u>HOMEWORK</u> - HW is subject to change Monday- Succeed Lesson 9, pages 41 & 42 Wednesday- Succeed Lesson 10, pages 47 & 48
Reading	RI 5.1 Quote accurately from a text when explaining what the text says explicitly and when drawing inferences from the text RI 5.4 - Determine the meaning of general academic and domain-specific words and phrases in a text relevant to a grade 5 topic or subject area.		We are working with informational reading this week, so have your child read some at home. <u>HOMEWORK</u> - HW is subject to change Read for 20 minutes a day
Writing	<u>Opinion/Persuasive Writing</u> Understanding the genre		Students did amazingly on their personal narratives! They're hanging outside the classroom, but once we are done please have your child share their story with you.
Spelling	Content Vocabulary: 1. biography 2. claim 3. product 4. astronomer 5. geography	Spelling Pattern: 6. compact 7. object 8. comedy 9. monopoly 10. pocket	Practice the short o sound. <u>HOMEWORK</u> - HW is subject to change Complete the spelling brochure by Friday. - ABC Order - Sentences - Rainbow Words - Syllables
Science	<u>Earth and Sun</u> * Investigation 2.1 How can you explain why we see some natural objects only in the night sky, some only in the day sky, and some at both times? * Investigation 2.2 How would you describe the size of and distance between Earth, the Moon, and the Sun?		If your child is up late, have them study the night sky and what they observe.
Social Studies	<u>Unit 2: Three Worlds Meet</u> * Lesson 3 - Comparing Southwest Native Americans and Pacific Northwest Native Americans * Lesson 4 - Eastern Woodland Native Americans		We are beginning to really dig into American history, so have your child repeat and review what they learned at school.
